Features of QUARTZ KITCHEN SINK

Features of HANDMADE KITCHEN SINK

Installation :

Quality Features

The material that we use is exuberantly qualitatively perfect. keeping in mind its use, it is made such that it can be easily cleaned, and shine is retained. For your safety regarding health, it also anti-bacterial and hygienic surface providing high-caliber durability for regular use. It is stain, thermal shock, and impact resistant for longer durability. It has a uniform structure that gives it a supreme finish.

Disclaimer :

The Colors / shades shown of sinks in this catalogue are purely illustrative and limited to printing process. Please refer actual sample before final selection in case of any complaint it should be brought to our dealer notice before laying the sink All sizes/price are subject to change without prior notice Please refer MM size before installation.

All specification are approximate and can vary in actual product. All product shown is identical and may vary from the actual product. This catalogue super needs all previous catalogues. All products shown are not part of standard offering & props depicted are for aesthetics purpose only. Subject to Morbi (India) jurisdiction
